RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Office Action mailed January 5, 2006, Applicants provisionally elect the claims of Group I (claim nos. 1-20), with traverse. While the claims of Group I and the claims of Group II may be distinct for the reasons set forth by the Examiner, Applicants believe that simultaneous examination will not present an undue burden. Indeed, the claims of both Group I and Group II are drawn to a LCD apparatus with pixel electrodes
